BLAISDELL MEMORIAL LIBRARY
Statement of Policies (Revised Edition 1997)

 - b. Children are encouraged to become registered borrowers. Parents or guardians are responsible for the materials borrowed by their children.
 - c. Use of the library or its services may be denied by the library director for due cause such as failure to return books, destruction of library property or disturbances.
- III. Services of the Library
 - a. The library shall provide materials which meet the needs of the community.
 - b. The library staff shall provide guidance and assistance for people to obtain the information they seek.
 - c. The library shall attempt to obtain materials through interlibrary loan for patrons seeking materials which cannot be provided by the library and honor interlibrary loan requests from other libraries.
 - d. The library shall try to maintain a balance of services to all members of the community.

 - f. Replacement cost of material not returned to the library or returned in damaged condition shall be billed to the borrower on the third notice. A \$5.00 handling charge will be added to the replacement cost of the materials.
 - g. The meeting room and the library are available during library hours to all non-profit community groups. All meetings must be open to the public. Requests

may be made to the librarian and are subject to the approval of the Library Trustees. The date and time of all events must be put on the calendar. No admission shall be charged for any meeting held during library hours. In the event a meeting continues beyond library hours, the user will be responsible for any additional library expenses.

BLAISDELL MEMORIAL LIBRARY

Circulation Policy

(Revised 6.13.19)

A. Registration

All residents of Nottingham and employees of the Town and School are eligible for a library card. All borrowers must be registered and must have a valid patron card to borrow library materials. Applicants under 13 years of age must have a parent or guardian give their consent on the application form before a new card can be issued. This parental signature is not required for children who are renewing cards. Materials cannot be checked out until a library card is issued. All library cards expire after 3 years. In order to renew a library card, patrons must clear all outstanding fines and bills. Non-residents of adjacent towns are also allowed borrowing privileges. There is no fee to them if their town has a reciprocal agreement not to charge residents of our town. All other non-residents will pay a \$20 annual fee to become a member of this library.

B. Lost or forgotten cards

If a patron loses his/her library card, he should notify the library as soon as possible and request a replacement. Patrons will be responsible for the cost of a new card. All patrons, adult and juvenile, are expected to bring their library cards with them if they intend to check out items. If a patron is not known to the circulation librarian on duty by personal recognizance, to check out materials without a library card, an active patron must present a state issued identification card, student ID, or other such official document establishing his/her identity. No patron shall be allowed to check out materials without a library card on more than two (2) consecutive visits. Upon the third (3rd) consecutive visit without a library card, to check out materials, the patron must purchase a replacement card.

C. Loan periods

1. 3 weeks for all library materials, except DVDs which circulate for 2 weeks.
2. Generally, reference books do not circulate. Upon request, some reference materials may be checked out if approved by the Director.
3. Interlibrary loans are due the date indicated by the lending library.
4. Books may be renewed once if there is not a waiting list for the title. The Director may establish the loan period for special collections, materials which are temporarily in great demand, such as for student projects, or materials added to the collection which are in a new format, e.g., computer software. There is a 25 item limit on the number of items a patron can borrow at one time. Each patron can have five (5) DVDs out at a time.

D. Interlibrary Loan

With our Interlibrary Loan (“ILL”) service, patrons can access materials from other libraries throughout New Hampshire. ILL is a primary service that supports the mission of the library by providing enhanced access to library materials and information. The purpose of ILL is to obtain materials not available in our library and to provide material from our collection to other libraries. The Blaisdell Memorial Library affirms that ILL is an adjunct to, not a substitute for, the library’s collection. The Blaisdell Memorial Library participates in ILL in order to support the diverse research needs of library users and to satisfy their broad cultural interests.

1. Interlibrary Loan – Borrowing

- a. ILL services are available to any patron in good standing with the Blaisdell Memorial Library. In reference to ILL borrowing privileges, “good standing” means that at the time of picking-up an interlibrary loan, a patron does not have any overdue materials or outstanding fines in excess of \$5.00.
- b. Patrons may request specific materials not owned by the Blaisdell Memorial Library, materials missing from the library’s collection, or materials owned by the library that are being repaired or temporarily unavailable. If a title is owned by the Blaisdell Memorial Library but is checked out, the preference is for a hold to be placed on the item rather than submitting an ILL request.
- c. Materials requested through ILL are for the specific patron requesting them. If a patron is attempting to request materials via ILL for someone other than him/herself, the proper procedure is for the patron who needs use of the ILL material to initiate the request.
- d. While the Blaisdell Memorial Library can request materials for a specific period of time, loan periods for ILL materials are established by the lending library. The Blaisdell Memorial Library will only request up to one renewal from the lending library.
- e. There are no charges for ILL services as long as the library does not incur any charges. If the lending library specifies that it imposes fees for ILL, patrons will be consulted about their willingness to pay before the materials are borrowed. Once a patron authorizes the charges, he/she is responsible for payment even if the item is not picked up.

2. Interlibrary Loan – Lending

- a. The Blaisdell Memorial Library will loan any circulating materials requested from other NH libraries, except for those in high demand by Blaisdell Memorial Library patrons. ILL requests will be considered from out-of-state libraries, provided they do not have any outstanding loans. “High demand” materials include recent additions to the circulating collection, purchased within six (6) months of the ILL request. Non-circulating reference and local history materials may be loaned at the discretion of the Director.
- b. The Blaisdell Memorial Library will honor specific ILL requests received through NHAIS, email, telephone, or on an ALA ILL form. General email requests directed to all NH libraries through the NHAIS listserv may be honored as time permits.

- c. When requested, materials can be loaned directly to a patron of another library provided the library has contacted the Blaisdell Memorial Library in advance or given their patron a request form.
- d. ILL materials are checked out to other libraries for a loan period of 6 weeks. Renewals are possible if all parties involved in the transaction agree to the extended loan period.
- e. Libraries that utilize the NH State Van delivery system will not be charged for borrowing materials. For requests from libraries outside the NH State Van delivery system, the Blaisdell Memorial Library reserves the right to pass on any charges incurred. There is no overdue charge to other libraries. Replacement costs will be charged to borrowing libraries for lost or damaged materials.

E. Holds

Holds may be placed by patrons either in person, by computer or over the phone. Patrons will be notified by e-mail or telephone when materials placed on hold become available. There is no charge to patrons for placing holds on materials in the Blaisdell Memorial Library catalog.

F. Fines and charges

There will be a 10-cents-per-day fine for each overdue item with the maximum of \$5.00 per item. One week after the material is due, a phone call or an e-mail reminder is made. This is followed by a second call or an e-mail a week later. If the material is not returned by the third week of being overdue, a bill will be sent for the material with the cost of replacement of the material and a \$5.00 service charge for processing, cataloging and postage. Patrons who have been sent an overdue notice shall be denied borrowing privileges until those overdue materials are returned or paid for if lost and/or damaged. After four weeks, if the materials have not been returned and are at least \$50 of value, at the discretion of the Director and the Library Trustees, a certified letter from the Selectmen may be sent. This gives the patron fifteen days to return the materials or we will turn their records over to the Nottingham Police Department. If the certified letter is not picked up, additional actions may be taken. Each step that is taken to recover overdue items will be noted in the patron's record in the library automation system, and will not be removed until all overdue items are returned. A record of which materials were overdue will remain permanently in the patron's record after materials are returned and fines have been paid.

G. Damaged materials

If materials are damaged so as to be judged by the library as being unsuitable for the collection, the patron must pay the replacement cost. A notice of these charges will be sent to the borrower; a sample of the notice follows:

Dear _____ At the time a library patron borrows materials from the public library collection, the patron assumes the responsibility for the care and timely return of

the materials. Recently materials checked out on your library card were returned to the library damaged beyond the point of being usable in the Library's collection. The titles and costs of these materials are listed below:

_____ \$ _____

Your assistance in clearing this matter promptly will be appreciated and will be necessary in order to retain your borrowing privileges.

Thank you in advance for your prompt response to this matter.

Sincerely,

H. Confidentiality

As specified in NH RSA 201-D:11

- I. Library records which contain the names or other personal identifying information regarding the users of public or other than public libraries shall be confidential and shall not be disclosed except as provided in paragraph II. Such records include, but are not limited to, library, information system, and archival records related to the circulation and use of library materials or services.
- II. Records described in paragraph I may be disclosed to the extent necessary for the proper operation of such libraries and shall be disclosed upon request by or consent of the user or pursuant to subpoena, court order, or where otherwise required by statute.

Wireless Internet Policy

WIRELESS NETWORK

The Blaisdell Memorial Library provides wireless internet access via an open, unsecured wireless network to anyone who has the necessary devices and software. Since the Library cannot guarantee a secure connection to the internet in a wireless environment, patrons are advised to use the latest anti-virus, spyware, and other standard protection software to prevent unauthorized access to their wireless devices. Wireless users are also advised not to transmit personal, financial or legal data while using any wireless connection. It is not possible for the Library to protect you against malicious theft or interception of such data transmitted over our network. The Library will not be responsible for any information that is compromised, hacked or stolen, or for any damage caused to users' hardware or software due to security issues, viruses, or hacking.

Library staff do not provide technical assistance for those using wireless access, and will not make changes to the configuration of a privately owned wireless device. If a user has problems accessing the internet over this connection, staff will only verify that the library's connection is operating normally.

USAGE OF THE WIRELESS NETWORK

The wireless network is not meant as a replacement for the wired network and is not meant to be used as a primary network connection. The wireless network is meant to extend the wired network for simple uses such as email and searching the internet. Users are expected to avoid using applications that will use large amounts of network bandwidth. These include servers and file-sharing applications. Users may not use the wireless network for any illegal or unethical activities including illegal applications or those which violate copyright laws.

Wireless internet access in the library is governed by the Library's Computer Use and Internet Policy in conjunction with the following guidelines:

- Wireless printing is available inside the Library.
- Library staff provides no technical assistance for wireless networking.
- Users may not extend or modify the network in any way. This includes adding access points and installing bridges, switches, hubs, or repeaters. The Library reserves the right to remove or disable any unauthorized access points.
- Individual users will be responsible for all costs associated with purchase, installation, operation, and support of wireless adapters in patron computers.
- The Library is not responsible for any damage, theft or loss of equipment, software or data.

- Any attempt to break into or gain unauthorized access to any computers or systems from a wireless connection is prohibited.
- Any restriction or monitoring of a minor's access to the Library's wireless network is the sole responsibility of the parent or guardian.

Social Networking Policy

The Library participates in various “social software” applications whereby staff and community members can interact through virtual internet communications. These applications, summarized below, allow members of the community access to some of the Blaisdell Memorial Library’s resources without requiring trips to the physical premises.

The Library regards online social software applications in the same way as its other information resources in accordance with its mission of serving Nottingham’s needs for informational, cultural, and recreational pursuits.

Social software is defined as any website or application which allows users to share information or participate in a dialogue. Social software can include, but is not limited to, blogging, instant messaging, social networking sites, photo and video sharing sites, and wikis. Many social networking sites allow users to become a “friend”, “fan”, “follower”, or otherwise associate the user’s own profile or virtual presence with the library’s profile. Examples of such sites are Facebook, Twitter, YouTube, Flickr, and Pinterest.

As with all Blaisdell Memorial Library resources, the Library does not act in place of or in the absence of a parent and is not responsible for enforcing any restrictions which a parent or guardian may place on a minor’s use of these resources.

The Library does not collect, maintain, or otherwise utilize the personal information stored on any third party site other than to communicate with users on those sites. However, the Library may collect some data for statistical and anonymous anecdotal purposes. Users may remove themselves at any time from the Library’s “friends” or “fan” lists or request that the Library remove them.

Users should be aware that third party websites have their own privacy policies and should proceed accordingly.

Comments, posts, and messages are welcome on Blaisdell Memorial Library social networking sites. While the Library recognizes and respects differences of opinion, all such interactions may be monitored and reviewed for content and relevancy appropriate to library users of all ages.

Postings which contain any of the following shall be removed and the poster barred from posting subsequent messages to the Library’s social networking sites:

- Obscene or racist content
- Personal attacks, insults, or threatening language
- Potentially libelous statements
- Plagiarized or copy-written material
- Private personal information published without consent

- Comments totally unrelated to the content of the forum
- Hyperlinks to materials not directly related to the discussion
- Commercial promotions or spam
- Advocacy for specific political parties or candidates, or religious preferences
- Photos or other images that fall in any of the above categories

In addition, the Blaisdell Memorial Library reserves the right to edit or modify postings or comments for space reasons while retaining the intent of the original post. The Library also reserves the right to reproduce comments, posts, and messages.

Participation in the Library's social networking services implies agreement with all Library policies, including the Computer and Internet Use Policy and the terms of use of each individual third-party service.

The role and utility of social networking sites will be evaluated periodically by Library staff and may be terminated or changed at any time without notice to participants.

DISCLAIMER: The Blaisdell Memorial Library, its trustees, and employees shall have no liability for any damages, including and without limitation, direct, indirect, consequential, compensatory, special, punitive, or incidental damages arising out of or relating to the use of these social networking sites.

The Library Trustees retain the authority to modify these guidelines at any time.

BLAISDELL MEMORIAL LIBRARY

Collection Development Policy

(Revised 11.7.2022)

A. Objectives

The purpose of the Blaisdell Memorial Library is to provide all individuals in the community with carefully selected books and other materials to aid the individual in the pursuit of education, information, research, pleasure, and the creative use of leisure time.

Because of the volume of publishing, as well as the limitations of budget and space, the library must have a selection policy with which to meet community interests and needs.

The materials selection/collection development policy is used by the library staff in the selection of materials and also serves to acquaint the general public with the principles of selection.

The Library Bill of Rights and The Freedom to Read Statement have been endorsed by the Blaisdell Memorial Library Board of Trustees and are integral parts of the policy.

The materials selection/collection development policy, like all other policies, will be reviewed and/or revised as the need arises.

B. Responsibility for Selection

The ultimate responsibility for selection of library materials rests with the library director who operates within the framework of the policies determined by the Blaisdell Memorial Library Board of Trustees. This responsibility may be shared with other members of the library staff; however, because the director must be available to answer to the library board and the general public for actual selections made, the director has the authority to reject or select any item contrary to the recommendations of the staff.

C. Criteria for Selection

1. The main points considered in the selection of materials are:

- a. individual merit of each item
- b. popular appeal/demand
- c. suitability of material for the clientele
- d. existing library holdings
- e. budget

2. Reviews are a major source of information about new materials. The primary sources of reviews are Library Journal and Booklist. The lack of a review or an unfavorable review shall not be the sole reason for rejecting a title which is in demand. Consideration is, therefore, given to requests from library patrons and books discussed on public media. Materials are judged on the basis of the work as a whole, not on a part taken out of context.

D. Interlibrary Loan

Because of limited budget and space, the library cannot provide all materials that are requested. Therefore, interlibrary loan is used to obtain from other libraries those materials that are beyond the scope of this library's collection.

In return for utilizing interlibrary loan to satisfy the needs of our patrons, the Blaisdell Memorial Library agrees to lend its materials to other libraries through the same interlibrary loan network, and to make an effort to have its current holdings listed in a tool that is accessible by other libraries throughout the state.

E. Gifts and Donations

The library accepts gifts of books and other materials with the understanding that they will be added to the collection only if appropriate and needed. If they are not needed because of duplication, condition, or dated information the director can dispose of them as he/she sees fit. The same criteria of selection which are applied to purchased materials are applied to gifts. Memorial gifts of books or money are also accepted with suitable bookplates placed in the book. Specific memorial books can be ordered for the library on request of a patron if the request meets the criteria established by the Board. It is desirable for gifts of or for specific titles to be offered after consultation with the library director. Book selection will be made by the director if no specific book is requested. The Blaisdell Memorial Library encourages and appreciates gifts and donations.

By law, the library is not allowed to appraise the value of donated materials, though it can provide an acknowledgment of receipt of the items if requested by the donor.

F. Weeding

An up-to-date, attractive, and useful collection is maintained through a continual withdrawal and replacement process. Replacement of worn volumes is dependent upon current demand, usefulness, more recent acquisitions, and availability of newer editions. This ongoing process of weeding is the responsibility of the library director and is authorized by the Board of Trustees. Withdrawn materials will be handled in a similar manner and under the same authority as donated materials.

G. Potential Problems or Challenges

The Blaisdell Memorial Library recognizes that some materials are controversial and that any given item may offend some patrons. Selection of materials will not be made on the basis of anticipated approval or disapproval, but solely on the basis of the principles stated in this policy. Responsibility for the reading of children rests with their parents or legal guardians. Selection of library materials will not be inhibited by the possibility that materials may come into the possession of children.

Library materials will not be marked or identified to show approval or disapproval of their contents, and no library material will be sequestered except to protect it from damage or theft.

H. Challenged Materials

Although materials are carefully selected, there can arise differences of opinion regarding suitable materials. Patrons requesting that material be withdrawn from or restricted within the collection may complete a “Statement of Concern About Library Resources” form which is available from the Library Director. The challenged material will remain in the collection while it is being reviewed. The inquiry will be reviewed by the Director and the material will be evaluated based on the complaint. The Director will issue a written decision to the challenger within thirty (30) days of submission of the form. This decision may be appealed to the Library Board of Trustees. The challenger’s appeal will then be placed on the agenda of the next regular meeting of the Library Board of Trustees. The Trustees as a committee of the whole will establish a review process and a final decision will be provided to the challenger by the Trustees.

Library Bill of Rights

The American Library Association affirms that all libraries are forums for information and ideas, and that the following basic policies should guide their services.

- I. Books and other library resources should be provided for the interest, information, and enlightenment of all people of the community the library serves. Materials should not be excluded because of the origin, background, or views of those contributing to their creation.
- II. Libraries should provide materials and information presenting all points of view on current and historical issues. Materials should not be proscribed or removed because of partisan or doctrinal disapproval.
- III. Libraries should challenge censorship in the fulfillment of their responsibility to provide information and enlightenment.
- IV. Libraries should cooperate with all persons and groups concerned with resisting abridgment of free expression and free access to ideas.
- V. A person's right to use a library should not be denied or abridged because of origin, age, background, or views.
- VI. Libraries which make exhibit spaces and meeting rooms available to the public they serve should make such facilities available on an equitable basis, regardless of the beliefs or affiliations of individuals or groups requesting their use.

Adopted June 18, 1948, by the ALA Council; amended February 2, 1961; amended June 28, 1967; amended January 23, 1980; inclusion of "age" reaffirmed January 24, 1996

The Freedom to Read Statement

The freedom to read is essential to our democracy. It is continuously under attack. Private groups and public authorities in various parts of the country are working to remove or limit access to reading materials, to censor content in schools, to label “controversial” views, to distribute lists of “objectionable” books or authors, and to purge libraries. These actions apparently rise from a view that our national tradition of free expression is no longer valid; that censorship and suppression are needed to counter threats to safety or national security, as well as to avoid the subversion of politics and the corruption of morals. We, as individuals devoted to reading and as librarians and publishers responsible for disseminating ideas, wish to assert the public interest in the preservation of the freedom to read.

Most attempts at suppression rest on a denial of the fundamental premise of democracy: that the ordinary individual, by exercising critical judgment, will select the good and reject the bad. We trust Americans to recognize propaganda and misinformation, and to make their own decisions about what they read and believe. We do not believe they are prepared to sacrifice their heritage of a free press in order to be “protected” against what others think may be bad for them. We believe they still favor free enterprise in ideas and expression.

These efforts at suppression are related to a larger pattern of pressures being brought against education, the press, art and images, films, broadcast media, and the Internet. The problem is not only one of actual censorship. The shadow of fear cast by these pressures leads, we suspect, to an even larger voluntary curtailment of expression by those who seek to avoid controversy or unwelcome scrutiny by government officials.

Such pressure toward conformity is perhaps natural to a time of accelerated change. And yet suppression is never more dangerous than in such a time of social tension. Freedom has given the United States the elasticity to endure strain. Freedom keeps open the path of novel and creative solutions and enables change to come by choice. Every silencing of a heresy, every enforcement of an orthodoxy, diminishes the toughness and resilience of our society and leaves it the less able to deal with controversy and difference.

Now as always in our history, reading is among our greatest freedoms. The freedom to read and write is almost the only means for making generally available ideas or manners of expression that can initially command only a small audience. The written word is the natural medium for the new idea and the untried voice from which come the original contributions to social growth. It is essential to the extended discussion that serious thought requires, and to the accumulation of knowledge and ideas into organized collections.

We believe that free communication is essential to the preservation of a free society and a creative culture. We believe that these pressures toward conformity present the danger of

limiting the range and variety of inquiry and expression on which our democracy and our culture depend. We believe that every American community must jealously guard the freedom to publish and to circulate, in order to preserve its own freedom to read. We believe that publishers and librarians have a profound responsibility to give validity to that freedom to read by making it possible for the readers to choose freely from a variety of offerings.

The freedom to read is guaranteed by the Constitution. Those with faith in free people will stand firm on these constitutional guarantees of essential rights and will exercise the responsibilities that accompany these rights.

We therefore affirm these propositions:

1. It is in the public interest for publishers and librarians to make available the widest diversity of views and expressions, including those that are unorthodox, unpopular, or considered dangerous by the majority.

Creative thought is by definition new, and what is new is different. The bearer of every new thought is a rebel until that idea is refined and tested. Totalitarian systems attempt to maintain themselves in power by the ruthless suppression of any concept that challenges the established orthodoxy. The power of a democratic system to adapt to change is vastly strengthened by the freedom of its citizens to choose widely from among conflicting opinions offered freely to them. To stifle every nonconformist idea at birth would mark the end of the democratic process. Furthermore, only through the constant activity of weighing and selecting can the democratic mind attain the strength demanded by times like these. We need to know not only what we believe but why we believe it.

2. Publishers, librarians, and booksellers do not need to endorse every idea or presentation they make available. It would conflict with the public interest for them to establish their own political, moral, or aesthetic views as a standard for determining what should be published or circulated.

Publishers and librarians serve the educational process by helping to make available knowledge and ideas required for the growth of the mind and the increase of learning. They do not foster education by imposing as mentors the patterns of their own thought. The people should have the freedom to read and consider a broader range of ideas than those that may be held by any single librarian or publisher or government or church. It is wrong that what one can read should be confined to what another thinks proper.

3. It is contrary to the public interest for publishers or librarians to bar access to writings on the basis of the personal history or political affiliations of the author.

No art or literature can flourish if it is to be measured by the political views or private lives of its creators. No society of free people can flourish that draws up lists of writers to whom it will not listen, whatever they may have to say.

4. There is no place in our society for efforts to coerce the taste of others, to confine adults to the reading matter deemed suitable for adolescents, or to inhibit the efforts of writers to achieve artistic expression.

To some, much of modern expression is shocking. But is not much of life itself shocking? We cut off literature at the source if we prevent writers from dealing with the stuff of life. Parents and teachers have a responsibility to prepare the young to meet the diversity of experiences in life to which they will be exposed, as they have a responsibility to help them learn to think critically for themselves. These are affirmative responsibilities, not to be discharged simply by preventing them from reading works for which they are not yet prepared. In these matters' values differ, and values cannot be legislated; nor can machinery be devised that will suit the demands of one group without limiting the freedom of others.

5. It is not in the public interest to force a reader to accept the prejudgment of a label characterizing any expression or its author as subversive or dangerous.

The ideal of labeling presupposes the existence of individuals or groups with wisdom to determine by authority what is good or bad for others. It presupposes that individuals must be directed in making up their minds about the ideas they examine. But Americans do not need others to do their thinking for them.

6. It is the responsibility of publishers and librarians, as guardians of the people's freedom to read, to contest encroachments upon that freedom by individuals or groups seeking to impose their own standards or tastes upon the community at large; and by the government whenever it seeks to reduce or deny public access to public information.

It is inevitable in the give and take of the democratic process that the political, the moral, or the aesthetic concepts of an individual or group will occasionally collide with those of another individual or group. In a free society individuals are free to determine for themselves what they wish to read, and each group is free to determine what it will recommend to its freely associated members. But no group has the right to take the law into its own hands, and to impose its own concept of politics or morality upon other members of a democratic society. Freedom is no freedom if it is accorded only to the accepted and the inoffensive. Further, democratic societies are more safe, free, and creative when the free flow of public information is not restricted by governmental prerogative or self-censorship.

7. It is the responsibility of publishers and librarians to give full meaning to the freedom to read by providing books that enrich the quality and diversity of thought and expression. By the exercise of this affirmative responsibility, they can demonstrate that the answer to a “bad” book is a good one, the answer to a “bad” idea is a good one.

The freedom to read is of little consequence when the reader cannot obtain matter fit for that reader’s purpose. What is needed is not only the absence of restraint, but the positive provision of opportunity for the people to read the best that has been thought and said. Books are the major channel by which the intellectual inheritance is handed down, and the principal means of its testing and growth. The defense of the freedom to read requires of all publishers and librarians the utmost of their faculties and deserves of all Americans the fullest of their support.

We state these propositions neither lightly nor as easy generalizations. We here stake out a lofty claim for the value of the written word. We do so because we believe that it is possessed of enormous variety and usefulness, worthy of cherishing and keeping free. We realize that the application of these propositions may mean the dissemination of ideas and manners of expression that are repugnant to many persons. We do not state these propositions in the comfortable belief that what people read is unimportant. We believe rather that what people read is deeply important; that ideas can be dangerous; but that the suppression of ideas is fatal to a democratic society. Freedom itself is a dangerous way of life, but it is ours.

BLAISDELL MEMORIAL LIBRARY

Volunteer Policy

(Revised 9.18.2018)

The Board of Trustees of the Blaisdell Memorial Library (“BML”) supports the use of volunteers in the library as an adjunct to the need for fully staffing BML and as an outlet for Nottingham residents wishing to help the community. Volunteers support the staff. Volunteers do not replace appropriately trained and paid staff, nor do they compensate for inadequate staffing patterns, failure to fill vacant posts, or cutbacks in library funding. The range of responsibilities for volunteers is limited in scope and assigned hours.

Volunteers are covered by the town of Nottingham’s insurance policies for all activities performed on behalf of BML. In accordance with insurance policies, volunteers must provide references and authorize reference checks so that BML may properly screen those wishing to volunteer at the library. Volunteers 18 and over will also have a background check.

An application must be completed for all volunteer positions. The minimum age for volunteers is age 12. BML does not retain volunteers for court-imposed community service work.

The Library Director will interview potential volunteers and evaluate their capabilities for available positions, their level of commitment and their ability to work well with the staff and the public. All volunteers will work under supervision of paid staff and the authority of the Library Director.

Volunteers are expected to work in a cooperative and professional manner with staff members and the public, and must follow all library procedures. Failure to satisfactorily perform assigned tasks, demonstration of a lack of commitment, and/or inability to work in concert with the staff and the public are cause for termination. Volunteers shall have the right to end the relationship with the Library at any time, though appropriate notice is desired.

The Library Director and the Library Trustees will periodically evaluate the effectiveness of the volunteer program to ensure that the Library is receiving full benefit from it.

### **Workplace Violence Policy**

#### **I. OBJECTIVE**

Blaisdell Memorial Library is committed to maintaining a safe work environment. The following guidelines have been adopted to deal with intimidation, harassment, or other threats of (or actual) violence that may occur during business hours or on its premises. These guidelines apply to all full-time and part-time employees.

#### **II. PROCEDURES**

All employees, including supervisors and temporary employees, should be treated with courtesy and respect at all times. Employees are expected to refrain from conduct that may be harmful or disrespectful to others. Firearms, weapons, and other dangerous or hazardous devices or substances are prohibited from the premises of the Blaisdell Memorial Library.

Conduct that threatens, intimidates, or coerces another employee, a patron, or a member of the public will not be tolerated. This prohibition includes all acts of harassment, including harassment that is based on an individual's sex, race, age, or any characteristic protected by federal, state, or local law.

All threats of (or actual) violence, both direct and indirect, should be reported as soon as possible to the library director or any member of Library Board of Trustees. This includes threats by employees, as well as threats by patrons, vendors, solicitors, or other members of the public. When reporting a threat of violence, the employee should be as specific and detailed as possible. All suspicious individuals or activities should also be reported as soon as possible to the library director and/or police depending on the circumstances. Do not place yourself in peril. The library director and/or Board of Trustees will promptly and thoroughly investigate all reports of threats of (or actual) violence and of suspicious individuals or activities. The identity of the reporting individual will be protected as much as is practical. In order to maintain workplace safety and the integrity of its investigation, the Blaisdell Memorial Library may suspend employees, either with or without pay, pending investigation.

Anyone determined to be responsible for threats of (or actual) violence or other conduct that is in violation of these guidelines will be subject to prompt disciplinary action up to and including termination of employment.

The Blaisdell Memorial Library encourages employees to bring their disputes or differences with other employees to the attention of the library director or the Board of Trustees before the situation escalates into potential violence. Employees will not be disciplined for raising concerns.

**BLAISDELL MEMORIAL LIBRARY**  
**Sexual Harassment Policy**

**A. Introduction**

The Blaisdell Memorial Library's goal is to provide a workplace that is free of sexual harassment. Sexual harassment of employees in the workplace or in other settings in which employees may find themselves in connection with their employment is unlawful and will not be tolerated by our Library. Further, any retaliation against an individual who has complained about sexual harassment and/or retaliation against an individual who has cooperated in an investigation of sexual harassment is unlawful and will not be tolerated.

Because the Library takes allegations of sexual harassment seriously, we will respond promptly to complaints of sexual harassment. Where it is determined that inappropriate conduct has occurred, whether or not it rises to the level of legally actionable harassment, the Library will act promptly to eliminate the conduct and implement any necessary remedial or corrective action, including disciplinary action where appropriate.

**B. Definition of Sexual Harassment**

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal, physical, and nonphysical conduct of a sexual nature when:

Submission to such conduct is made explicitly or implicitly as a term or condition of employment; or

Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting that individual, or for awarding or withholding a favorable employment opportunity, evaluation or assistance; or

Such conduct has the purpose or effect of unreasonably interfering with an individual's performance at work, or creates an intimidating, hostile, or offensive work environment. Sexual harassment includes a wide range of behaviors from the actual coercion of sexual relations to unwelcome offensive comments, jokes, innuendoes and other sexually oriented statements and unwelcome behavior emphasizing sexual identity. Sexual harassment may be indirect and even unintentional. Employees are prohibited from bringing into the workplace or otherwise displaying any written materials or pictures that are sexually suggestive or offensive in nature.

This policy prohibits all of the activities discussed above, whether engaged in by a supervisor, employee, co-worker, Trustee, or non-employee who is on Blaisdell Memorial Library premises or who comes into contact with Library employees.

It is not possible to list all of the additional circumstances and behaviors that may constitute sexual harassment or other inappropriate conduct that will not be tolerated. However, the following are some examples of prohibited conduct:

Unwelcome sexual advances, whether or not they involve physical touching;

Sexual epithets; sexual jokes; written or oral references to sexual conduct; gossip regarding one's sex life; comment on an individual's body; comment about an individual's sexual activity, deficiencies, or prowess;

Displaying sexually suggestive objects, pictures, cartoons;

Leering, whistling, brushing against the body;

Sexual gestures;

Suggestive or insulting comments;

Inquiries into an individual's sexual experiences; and

Discussion of one's sexual activities.

#### \*\*\*C. Complaints of Sexual Harassment

Experience has shown that a clear statement to the person engaging in the offensive behavior is sometimes all that is necessary to stop the conduct. If you believe you are being harassed, we encourage you to let the person engaging in the conduct know how you feel. However, if you do not feel comfortable taking this step, you are not required to do so. If you believe that you have been subjected to sexual harassment, you should report the incident in accordance with the reporting procedure contained in this policy. The matter will be promptly investigated and where it is determined that such inappropriate conduct has occurred, action will be taken to eliminate and correct the conduct. Employees who violate this policy will be subject to disciplinary action, up to and including termination of employment.

#### D. Retaliation

Retaliation against an employee who complains in good faith about sexual harassment or who participates in good faith in an investigation of a complaint is a violation of this policy and is prohibited by law. If you believe that you have been subjected to retaliation, you should report the incident in accordance with the reporting procedure contained in this policy.

## **BLAISDELL MEMORIAL LIBRARY**

### **Reporting procedure for sexual and other unlawful harassment, discrimination and retaliation**

Any employee who feels that he or she has experienced sexual or other unlawful harassment and/or discrimination or retaliation should immediately report such actions in accordance with the following procedure. All complaints will be promptly and appropriately investigated.

1. If you believe that you have experienced sexual or other unlawful harassment, discrimination or retaliation, you should report the incident immediately to the Library Director, the Chair of the Board of Trustees, and/or the Chief of Police.
2. Supervisors who become aware of discriminatory or harassing conduct, a complaint of discrimination or harassment, or retaliation must report the conduct and/or complaint immediately to the Library Director, the Chair of the Board of Trustees, or the Chief of Police.
3. The Library will promptly investigate incidents reported through this procedure. Any employee, supervisor, or Trustee of the Library who has been found to have engaged in conduct that violates our policies against discrimination and/or harassment will be subject to appropriate remedial and/or disciplinary action, up to and including immediate termination of employment. The complainant will be informed generally of the outcome of the investigation and whether remedial action is being undertaken by the Library.
4. The Library will conduct all investigations in a discreet manner. Disclosure of complaints will be limited to those with a need to know in order to investigate the complaint and take appropriate remedial action.

**Display of Information, Collection Boxes, and Fundraising Policy**  
(Adopted 7.2.2008; Revised 10.5.2015)

**INDOOR BULLETIN BOARDS & INFORMATION RACK**

The library offers a bulletin board and information racks as a public service for the purpose of displaying notices, event listings, and information for cultural, educational, and civic organizations. As a general policy for the bulletin board use, the Library Board of Trustees adopts article six of the American Library Association's "Library Bill of Rights" which maintains that exhibit space should be made available "on an equitable basis, regardless of the beliefs or affiliations of individuals or groups requesting their use."

Preference will be given to library events, followed by non-profit organizations and local events. The library does not guarantee the availability of space and may have to restrict the number of copies approved for display. There is one rack for flyers. There are two bulletin boards. One is reserved for Town of Nottingham notices. The other bulletin board and information rack are subject to the following guidelines:

1. Long term postings (including hotlines, social service information, nonprofit newsletters, and ongoing events) will be displayed as space permits. Posters of a general nature which do not advertise a specific date or event will be removed when space for other announcements runs out. Very large posters may be rejected because of space limitations.
2. Posting of a purely commercial nature, political postings that advocate a specific party or candidate, and postings that promote a stance on a public issue including warrant articles will not be displayed.
3. All items must be submitted to the library staff and will be posted at the discretion of the Director. Each item will be marked with a posting date. The decision of the library director to deny a posting may be appealed to the Library Trustees.
4. The library will display information for specific events no more than one month in advance of the event and the library staff will remove postings after the event takes place. A request for return of items, along with name and contact information should be printed on the back of any posting an owner wants returned. Items must be picked up within one week following the date of the publicized event if the owner wants them returned. Otherwise, the library will not be responsible for returning materials.

**OUTDOOR LIBRARY SIGN**

The library has an outdoor sign located near the street which is intended primarily for the display of library news and events. The library does not guarantee the availability of space on the outdoor library sign, and discretion whether to display the events of non-profit organizations and local events rests with the Director, whose determination is appealable to the Library Trustees. Messages posted on the outdoor library sign can only be changed by Library staff or volunteers.

#### NON-PROFIT COLLECTION BOXES

As a central location in the community, the library is willing to serve as a collection point for non-profit organizations. The library will only host one box from one organization at a time, excluding the Friends of the Library. The maximum amount of time to keep a box at the library for any organization, excluding the Friends of the Library, is one (1) month. Contact information should be on the box and a named contact person is responsible for picking up the box at the end of one month. If a person or organization fails to retrieve a box in a timely manner, future requests for having a box at the library may be denied.

#### FUNDRAISING

The library will not handle money for any organization other than the Friends of the Library.

## **BLAISDELL MEMORIAL LIBRARY**

### **Telescope Borrower Policy & Agreement**

#### **Borrower Criteria**

The telescope is available only to current Blaisdell Memorial Library cardholders in good standing. (For the purposes of this borrower policy, “good standing” means no late fees or billed items on record, and up-to-date patron information.) Borrowers must be at least 18 years of age and must present a valid ID.

The library reserves the right to refuse service to any person who abuses equipment or is late in returning the telescope.

#### **Loaned Items - Content**

The telescope does not come in a case. It is best to carry it by placing one’s forearm under the tube and lifting it, still upright, to be supported against ones side. To secure it in a vehicle, use both the lap belt and chest belt in the front seat (preferably) to keep it in place.

A lens cap, with a small cut-out portion for viewing the moon, is attached to the tube. A pouch is strapped to the telescope containing:

1. Instruction Manual – Please read prior to using the telescope
2. National Audubon Society Pocket Guide to Constellations
3. Celestron Night Vision LED Flashlight

#### **Check Out & Return Procedure**

The telescope is loaned on a first-come first-serve basis. It may be reserved in advance, but will be held for a maximum of 1 week. Patrons will be notified by phone and email (if on file) and patrons must pick the telescope up during the library’s normal hours of operation.

The telescope may be checked out for 1 week, with no renewals, with a waiting period of 1 week before the same household can borrow it again.

The library understands that weather may not be optimal for stargazing during your checkout period, but the telescope will be passed on to the next patron if it was reserved for them in advance.

The telescope must be picked up from, and returned to the circulation desk of the Blaisdell Memorial Library. When returning the telescope, patrons must consult with a staff member to assist them.

Library staff will verify that the telescope is in good working order at the time it is checked out and returned. When returned, the telescope will be checked for functionality and accessories in the patron’s presence before being removed from the patron’s record.

## Overdue Fines & Damage Fees

Overdue late fees are \$5.00/day, up to a maximum of \$25.00. There is no grace period. The patron is responsible for damages to the telescope and its accessories.

By checking out the telescope, the patron is accepting full financial liability for the telescope and accessories while in the patron's possession. Additionally, the patron agrees to pay all costs associated with damage to, loss of, or theft of the telescope occurring during the checkout period.

The patron will be charged replacement fees for any items not returned in the telescope kit, or for any items returned damaged. Replacement fees shall be as follows:

- Telescope \$300
- Flashlight \$15
- Constellations Guide \$10
- Instruction Manual \$5

## “Common Sense” Reminders

## **BLAISDELL MEMORIAL LIBRARY**

### **Exhibits Policy**

(Revised 5.9.2018)

The Blaisdell Memorial Library seeks to provide information for its residents in their pursuit of academic, personal and recreational interests. The library provides a limited amount of wall and shelf-top space for non-commercial use by the public for displays of an educational, historical, art or hobby nature.

Organizations, schools, and individuals wishing to utilize the Library for an exhibit must first consult with the appropriate contact person listed below who will determine the relevance of, the conditions for, and the availability of suitable space for the exhibit. The Library Director (in consultation with the Trustees if necessary) has final say in any unusual circumstances.

#### Exhibit Space/Contact Person

Adult level wall display spaces – Library Director

Children's level wall display spaces – Children's Programming Librarian

Children's level shelf-top display spaces – Children's Programming Librarian (NOTE: no security is provided)

All other spaces not normally scheduled must be requested and discussed with the Director.

1. Library initiated exhibits will be given priority.
2. Preference is given to local (Nottingham) exhibitors over others.
3. Exhibits are scheduled for 2 calendar months. Installation should be completed within the first two or three open days of the first month, by arrangement with the contact person. Removal must be prompt, on or by the last open day of the second month.
4. All exhibits must be appropriate and suitable for a mixed public audience. All items must be presentation ready (framed and ready to hang, etc.).
5. Each exhibitor is responsible for hanging or displaying his/her own exhibit, and for providing all necessary materials, signage, display racks, etc. for organizing the exhibit. The Library may provide use of bar hangers for wall displays to use in conjunction with the installed hanging system. Ladders are available. No nails or screws may be placed in the walls. No book display racks are provided.
6. The Library does not assume financial liability for injury, loss or damage. Since the exhibit may not be supervised, exhibitors should consider the possibility of providing private insurance if security is a concern. In advance of setting up any display of loaned

materials, exhibitors must sign a waiver of liability holding the Library, its employees and trustees, and the Town of Nottingham harmless for any injury resulting from the installation of the exhibit, or for any damage to or loss of loaned material.

7. Publicity is the responsibility of the exhibitor unless the exhibit is co-sponsored by the Library. The Library may elect to publicize exhibits on its web site and/or in other ways, but this is not guaranteed. (Permission to photograph and use images from the exhibit for publicity is assumed granted by the agreement to exhibit.)
8. Exhibitors may not schedule special openings or other events without advanced permission, in writing, from the Director. All arrangements must be approved by the Director at least two (2) weeks prior to the event and must conform to other Library policies.
9. No prices may be posted on the items on exhibit, nor may an admission fee be charged. A price list with contact information may be placed near the exhibit. Transactions for the purchase of an exhibit item shall be directly between the purchaser and the exhibitor. No sales may be made on the premises without express permission from the Trustees, which must be arranged no less than one (1) month before the exhibit. No exhibit material which is sold during its display in the Library may be removed before the end of the exhibition period.
10. Consideration will be given to new exhibitors over those who have exhibited within the last twelve (12) month period.
11. Granting permission to use Library facilities does not constitute an endorsement by the Library staff, the Library trustees, or the Town of Nottingham, of the contents of the exhibit, the materials, or the exhibitor(s).
12. Failure to abide by these requirements could result in denial of further requests to make use of Library exhibit spaces, and/or immediate termination of the exhibit.

**BLAISDELL MEMORIAL LIBRARY**  
**Security, Safety and Weapons Policy**  
(Adopted 2.25.2016)

The Blaisdell Memorial Library strives to maintain a safe and secure environment for its staff and patrons. In order to do so, the following rules shall be adhered to at all times:

- Cordless phones shall be accessible to staff from the circulation desk and the back office in case of an emergency.
- Proper lighting in the building and on the library grounds shall be kept on during library hours of operation, and for one hour thereafter.
- All walkways and steps which are regularly used shall be shoveled and sanded regularly during the winter to provide usable alternate exits in case of emergency.
- The Town shall check fire alarms and extinguishers yearly.
- The library will have a first aid kit available in case of medical emergency.
- The library will have an AED unit for emergencies that is checked annually.
- All cleaning chemicals will be kept in a non-public area.
- Child proof outlet covers will be used in all outlets in the children's room.
- The building shall be checked nightly at close, including bathrooms, to ensure that all patrons are out of the building.
- The building should be locked and alarmed every night at closing, and all windows should be closed and locked.
- Efforts should be made to have at least two staff members, or a staff member and a patron, leaving the library together at closing. Should a staff member stay late, the staff leaving should make sure the library doors are securely locked.
- Should a staff member encounter a belligerent patron, or someone who makes the staff member feel uncomfortable and threatened, they are encouraged to call the local police for assistance. Situations that warrant immediate police involvement include:
  - If an individual physically harms another person, or threatens to do so;
  - If an individual damages property, or threatens to do so;
  - An individual is using or possesses illegal drugs or is drinking alcohol or is publicly intoxicated;
  - An individual views or prints child pornography;
  - An individual engages in an act of public indecency, which includes masturbation, fondling another person, intercourse of any kind, or public nudity. (Breast-feeding is NOT included in this definition.)
- After the fact, the police should be notified of a problem with a patron even if the situation does not escalate to violence. This helps the police better track people who may become problematic.

- Should a volatile patron leave the library and a staff member feels threatened, the staff member is encouraged to lock the doors and keep them locked until a police officer arrives to assess the situation.
- A patron may be asked to leave the building if they verbally or physically threaten a staff member or other patron, and should a patron refuse to leave, the police may be called to remove the person.
- A patron who has an episode that requires police involvement will be sent a follow-up letter from the Board of Trustees, which may require them to have a police escort should they wish to use the premises again. The library also reserves the right to terminate a patron's right to enter the library should the problem persist.
- Patron Appeal Procedure
  - Notice of Appeal – Revocation or denial of library privileges may be appealed if the individual files a written notice of appeal with the director within 10 days after receiving notice of the revocation or denial. Such notice shall be filed c/o Blaisdell Memorial Library, PO Box 115, Nottingham, NH 03290.
  - Within 10 days of receipt of the notice of appeal the patron shall schedule a meeting with the director to resolve the issue of the library privileges being revoked or denied.
  - If a resolution cannot be reached with the director, the individual may make a written request to the director, within 10 days of meeting with the director, asking that the matter be addressed by the Library Board of Trustees at the next board meeting. The individual requesting the appeal may attend the board meeting and make a short presentation after which the board shall decide the matter. The determinations of the Library Board of Trustees shall be final.
- When library personnel have a reasonable belief that a crime has been committed, they should make every effort to preserve any direct evidence of that crime and turn it over to the library director who shall consult counsel about divulging such information to law enforcement.
- The following may be troublesome but are NOT reasons, absent other contributing factors, to call the police:
  - Violations of library policy such as cell phone use, eating or talking in quiet areas;
  - Abusive comments by library users that do not include threats of physical harm;
  - Adults viewing sexually explicit materials that are NOT child pornography (the patron may be asked to leave, but this is not illegal);
  - Homelessness or offensive bodily hygiene.
- Weapons
  - Whenever a person is seen carrying a weapon in the library and the staff or other patrons feel threatened or uncomfortable, the staff may report the situation to law enforcement so the police can determine the lawfulness of such weapons being carried.

**BLAISDELL MEMORIAL LIBRARY**  
**Policy for Home Delivery of Library Materials**  
(Adopted 5.18.2017)

**A. Purpose**

The Blaisdell Memorial Library (“BML”) now offers a program for the delivery of library materials to patrons who are generally confined to their place of residence and are unable to visit the library. (Collectively in this policy, this service shall be referred to as “Home Delivery.”) There is no additional charge to library patrons for Home Delivery service.

**B. Patron Eligibility**

Home Delivery service is available to Nottingham residents who are unable to visit the library without the assistance of others. Eligible patrons must be generally confined to their residence either temporarily, due to illness or accident, or permanently, due to age, disability, or other mobility challenges. An individual must be a BML library card holder in good standing to use the service. If an otherwise eligible individual does not already possess a library card, they may contact the library by phone (603-679-8484) or email ([blaisdellml@comcast.net](mailto:blaisdellml@comcast.net)) to initiate the process of obtaining a library card.

**C. Volunteer Service**

Home Delivery is made possible by the involvement of the Friends of the Library and other qualified library volunteers (“Volunteers”). Volunteers who help to facilitate Home Delivery do not replace existing library staff or undertake tasks previously done by library staff. Home Delivery complements other library programs and services by reaching people who cannot otherwise use the library. Home Delivery cannot operate without the commitment of its volunteer service providers, and may be temporarily suspended in the event qualified volunteers are unavailable.

**D. How the Service Works**

***Requesting Home Delivery Materials***

Home Delivery patrons may contact the library by phone (603-679-8484) or email ([blaisdellml@comcast.net](mailto:blaisdellml@comcast.net)) to initiate requests for specific library materials, or may use the same methods to ask for suggestions about potential materials. The Library Director, in consultation with other library staff, will assist the patron in locating suitable materials for the Home Delivery patron.

### ***Delivery Schedule***

Materials will be delivered by a BML Volunteer, when available. When materials are delivered, items from the previous delivery must be ready for the Volunteer to return to the library. Pickup and delivery will be scheduled at the Volunteer's convenience, while taking into account the needs of the Home Delivery patron. Volunteer delivery and/or pickup of materials to/from Home Delivery patrons will occur no more frequently than twice per month.

### ***Fines/Fees***

Overdue fines will not be charged on materials that are returned late. BML's standard fee schedule will apply for damaged or lost items, and all other standard BML lending policies apply to Home Delivery patrons.

### ***Renewals***

Home Delivery patrons may call the library (603-679-8484) or email ([blaisdellml@comcast.net](mailto:blaisdellml@comcast.net)) to request renewals or access their records via the library's online catalog, accessed through the BML website at <https://nottinghamlibrary.org>.

### ***Requirements for Delivery and Pickup***

Home Delivery patrons must be present at the time of pickup and delivery. Home Delivery patrons must provide a safe and appropriate environment for the Volunteers who make deliveries to their homes. Volunteers may choose not to enter a home, to leave a home immediately, and/or to recommend suspension of the service if they determine that the environment is unwelcoming, unsafe or inappropriate for delivery and/or pickup. Such potential conditions may include, but are not limited to, any of the following:

- Pets are not confined (with the exception of service animals trained to assist a disabled person) and/or they display aggressive behavior towards the Volunteer;
- There is no clear and safe path to and from the home, and weather conditions (water, snow, and ice) make traversing the path potentially dangerous; and
- Any person in the home or on the premises presents inappropriate, aggressive and/or threatening behavior.

**BLAISDELL MEMORIAL LIBRARY**  
**Programming Policy**  
(Adopted 6.6.2018)

**Purpose**

The purpose of Library programs at the Blaisdell Memorial Library is to fulfill the Library's mission statement.

**Content**

Library programs must be *non-commercial*. Presenters may be professionals or business people, but the information presented must be generic in nature. *No solicitation for business will be permitted*. Any sales of items at Library programs must be approved by the Library. Library staff does not participate in sales. The presenter may leave business cards for participants to pick up after the program should anyone be interested in purchasing items or services from the presenter.

Selection of topics, courses, classes, events and their presenters will be made by Library staff based on interests and needs of Library users, the community and compatibility with the Library's mission. Library programs will not exclude topics deemed controversial. Presentation of such programs does not constitute an endorsement of the topic by the Library.

The Library will co-sponsor programs with other agencies, organizations, and businesses when they are compatible with the Library's mission. Co-sponsored programs must include either participation by Library staff to plan and develop program content, provide logistical support, or include information about Library collections relevant to the program. Co-sponsorship and collaboration decisions are made on the basis of mutual needs and equitable benefits between the Library and potential partners.

**Registration and Attendance**

Library programs will be free and open to residents of the Town of Nottingham. The Library reserves the right to set age limits for all programs.

For planning reasons, registration may be required for some programs. The Library reserves the right to limit the attendance at events due to wishes of the presenter or space considerations. A waiting list will be compiled and efforts will be made to confirm attendance prior to the event or program.

The Library reserves the right to cancel a program. Programs scheduled on a day when the Library is closed due to inclement weather are automatically cancelled. Rescheduling is at the discretion of the Library.

**Miscellaneous**

The Library staff will be responsible for press releases and public notification for Library programs.

## **BLAISDELL MEMORIAL LIBRARY**

### **Animal Policy**

(Adopted 1.16.2019)

It is the Policy of the Blaisdell Memorial Library to prohibit all animals from entering library facilities, with the exception of service animals, service animal trainees and animals featured in programs sponsored by the Blaisdell Memorial Library. Any circumstances not included here will be addressed by the discretion of the library director.

### **Definitions**

"Service animals are animals that are individually trained to perform tasks for people with disabilities such as guiding people who are blind, alerting people who are deaf, pulling wheelchairs, alerting and protecting a person who is having a seizure, or performing other special tasks. Service animals are working animals, not pets."

If they meet this definition, animals are considered service animals under the ADA regardless of whether they have been licensed or certified by a state or local government.

The terminology used to label the specific types of work dogs perform for people with disabilities has not been standardized. Dogs trained to help a person walk might be referred to as a mobility dog, a walker dog or a support dog. Some animals are cross-trained to perform more than one category of work, such as a guide/mobility dog. Many individuals prefer to identify their service animal generically to avoid disclosing the nature of their disability. While most service animals are dogs, other service animals include cats, birds and miniature horses.

Assistance animals is a newer term being proposed to replace the term "service animals." It is similar to a service animal but instead of limiting the animal to assisting one person with a disability, an assistance animal works either with a specific person with a disability or a group of people with disabilities under the guidance of a trainer or owner. The animal's training is similar to that given service animals.

Companion animals are pets and may be excluded from the Blaisdell Memorial Library facilities.

Social/therapy animals are usually service animals that did not complete training and have become the pet of a person with a disability. Other therapy animals are the personal pets of their handlers and work with their handlers to provide services to others, such as patients in nursing homes. Therapy animals might or might not meet the definition of service animals, but service animals are not pets. Pets are not allowed in the Blaisdell Memorial Library. Federal laws do not legally define therapy animals, but some states have laws defining therapy animals. Federal laws also have no provisions for people to be accompanied by therapy animals in places of public accommodation that have "no pets" policies.

**BLAISDELL MEMORIAL LIBRARY**  
**Media Relations Policy**  
(Adopted 4.22.2021)

**Library Spokesperson**

To provide the most current and consistent information about the library, all contact with news media will be carried out through the Director or Board of Trustees President, although at times individuals occupying such positions may refer the media to specific staff members. The Library Board of Trustees President is the spokesperson for the Library Board of Trustees. All inquiries from reporters or other media persons should be reported immediately to the Library Director.

When asked by the public for information related to Library business or policy, staff should respond in accordance with Library Guidelines regarding such requests and, in the case of doubt, should consult with the Public Relations Manager or Director.

Employees who represent the Library as media spokespersons should avoid speculation on any topic and refrain from offering personal opinions about Library policies or programs, even when asked to do so by a reporter.

Questions from the public regarding the general operations or direction of the library should be referred to the Director. Inquiries related to the underlying principles of a policy that are open to interpretation from a political, constitutional, and/or legal perspective should be referred to the Director. Examples of such policies include but are not limited to those covering Internet Access, Filtering, Intellectual Freedom, and Meeting Room issues.

**Newsgathering in the Library**

Members of the media who wish to conduct newsgathering in the library in any manner disruptive to, or interfering with, the operation of the library or its use by other customers or be inconsistent with its mission, must make themselves known to either the Director or to the staff member in charge of the building in the Director's absence. Examples of behavior that can be disruptive, or interfere with, the operation of the library or its use by other customers or be inconsistent with the Library's mission, include (but are not limited to) interviewing at other than normal conversational voice level, photographing, video recording, or audio recording customers or staff. (See **Photography or recording by members of the public or media** below.) Staff members witnessing members of the media engaged in such activity must inform them of the policy and ask that they request and gain permission from the Director before further conducting newsgathering in the library. This policy does not apply to a member of the media in his or her capacity as a customer using the library's resources.

**Photography and Video or Audio Recording in The Library**

**Photography or recording by the Library**

The Blaisdell Memorial Library staff has the right to photograph, film, and record library events and customers for promotional use. Visitors to the library, or participants in any public library event being captured on film or by photograph, will be advised in advance, verbally or through signage, that their participation in the event acts as a consent to being photographed, filmed or recorded, unless they otherwise clearly indicate to the contrary to library staff. To ensure the

privacy of all individuals, their images will not be identified using full names or personal identifying information without written approval from the photographed subject, parent, or legal guardian.

The above policy applies only to open, public library events. Events held at the library by outside groups would require releases and/or permissions from the supervisor of the visiting organization.

### **Photography or recording by members of the public or the media**

While Blaisdell Memorial Library is a public place, it is considered a “limited public forum” under federal law. New Hampshire libraries are further covered under [New Hampshire RSA 201-D:11](#) and are required to protect the confidentiality of library users. Public libraries may reasonably restrict the exercise of free speech rights in their buildings, particularly when the conduct would be disruptive to, or interfere with, the other customers or staff or be inconsistent with the library’s mission.

Subject to the preceding paragraph: photography and video or audio recording by visitors to the Library are generally permitted provided that it is strictly for personal use and does not compromise the privacy of any library user.

Photography and video or audio recording for commercial purposes are permitted only if the activity has been expressly approved by the Library Director. To ensure that such activity would not be disruptive to, or interfere with, the Library staff or customers, or be inconsistent with the library’s mission, all individuals proposing to engage in such commercial activities must request approval in writing and in advance.

All requests to use a library facility as a setting for photography, video, or audio recording are to be referred to the Library Director, who has the responsibility and authority to evaluate the requests, schedule the event, and to monitor the recording. Requests will be evaluated in terms of their impact on library operations and services. The Library Director will seek approval and make arrangements with specific library departments and personnel in advance of the approved photography or recording.

In order to protect the rights of individual customers and to prevent disruptions, or interference with, staff or customers, or conduct inconsistent with the library’s mission, photographing and video or audio recording on library property are restricted as follows:

1. Under no circumstances may the public, members of the media, or library staff take photographs or record video or audio without the express permission of any library customer or staff member who would be included within the composition. In the case of minors, permission must come from the parent or legal guardian.
2. In the event of a critical incident or emergency requiring police or fire response, public and media access may be limited to allow emergency personnel to ensure safety and security.
3. The terms above apply to the media as well as to amateur photographers and audio/video creators.

**BLAISDELL MEMORIAL LIBRARY**  
**Acceptance of Electronic Payments Policy**  
(Adopted 7.14.2022)

The Blaisdell Memorial Library is authorized to accept electronic payment for, but not limited to, replacement costs, fines, donations, and associated fees assessed for the use of library equipment such as, but not limited to, copies and faxing services, provided the following criteria are met:

- 1) The online payment system must be an approved and/or authorized to work with the library's bank account(s); and
- 2) Fees associated with the online payment system must not be so onerous as to negate the ease-of-use, logic, or effectiveness of implementation of the payment system.

The Library Director is authorized to identify payment systems that meet the above criteria and present said systems to the Board of Trustees for consideration for use in the library.

The Trustees, in conjunction with the Library Director, retain the discretion to implement a scale for accepting electronic payments, or to request patrons pay any merchant fees associated with the use of electronic payment processes, including credit cards or peer-to-peer payment programs (such as Zelle™).

**Patron Code of Conduct**  
(Adopted 12.14.2022)

The Blaisdell Memorial Library Board of Trustees has established this Code of Conduct to ensure that library facilities are safe, welcoming, and provide equitable access to materials for all library users.

No individual may engage in inappropriate conduct on the premises of Blaisdell Memorial Library, or when using library facilities, or when participating in library programs. Patrons shall be engaged in normal activities associated with the use of a public library such as reading, studying, using library material/computers/printers, or attending a library program while in the building.

The establishment of a set of guidelines for behavior in the library building is necessary to ensure the existence of an environment that promotes the use and enjoyment of the library's resources and, at the same time, protects the public, the staff, the materials, and the equipment. The library must provide appropriate safeguards against illegal behavior and enforce policies and procedures that address such behavior when it occurs. In order to protect all library users' right of access to library facilities, to ensure the safety of users and staff, and to protect library resources and facilities from damage, the library Board of Trustees may impose reasonable restrictions on the time, place, or manner of library access. Repeated violations of any of these guidelines may be referred to the Trustees for further action.

Guidelines/Rules:

1. Respect for other library users and staff shall prevail at all times.
2. Smoking, use of smokeless tobacco, alcohol, and narcotics will not be tolerated in the building or within 25 feet of a library entrance. (*See Nonsmoking Policy.*)
3. Patrons shall not possess or consume food or beverages in the library. (*Library programming is exempt from this restriction.*) Water in covered containers is permitted, except at computer stations.
4. Shouting, running, pushing or other disruptive behavior is not permitted. Disruptive behavior is defined as destructive or continuing activity by any individual or group of individuals which infringes on other patrons' rights to use the library for reading, research, study, etc.
5. Improper acts which are subject to prosecution under criminal or civil codes of law are prohibited.
6. Destruction or defacement of the library building, property, or library materials is punishable by law. (*See NH RSA 202-A:24*)
7. No person shall threaten the safety or rights of another person while on the premises of the library by violent, riotous, or disorderly behavior or by abusive, obscene, or profane language.
8. Canvassing, selling, soliciting, or distributing materials is prohibited without the permission of the library director.

9. Appropriate attire including shirts and shoes must be worn while inside the library building.
10. Sleeping on library furniture, tables, or floor areas, is prohibited.
11. Personal telephone calls cannot be made from or accepted by the library. Conversations on cell phones or other electronic devices are not permitted inside the library building.
12. Members of the public must use only authorized entrances and exits.
13. No person shall leave children under the age of 10 unattended for any period on library premises. Parents or guardians are always responsible for the supervision and behavior of their young children. (*See Unattended Children Policy.*)
14. All persons are expected to comply with reasonable requests of any library staff member.
15. No person shall take library materials out of the building without properly signing them out to an existing library account. Removal of library materials without checking them out is larceny.
16. Patrons are expected to cooperate with staff and exit the building at the library's closing time.
17. Any person who, in the opinion of the library staff, is engaging in conduct described here as inconsistent with the orderly operation of the library, will be asked to leave, and will be expected to do so in an orderly manner.
